Package PostNuke_3rdParty_Modules

Procedural Elements

main.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: main.php 411 2007-04-30 14:58:49Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL

string function akismet_admin_main() [*line 19*]

Adminstration entry point

- **Author** Mark West

modifyconfig.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: modifyconfig.php 411 2007-04-30 14:58:49Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL

string function akismet_admin_modifyconfig() [*line 19*]

Modify module configuration

- **Author** Mark West

updateconfig.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: updateconfig.php 411 2007-04-30 14:58:49Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL

mixed function akismet_admin_updateconfig() [*line 19*]

Update module configuration

- **Author** Mark West

pninit.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: pninit.php 400 2007-03-06 12:55:51Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL

function akismet_delete() [*line 39*]
delete module

function akismet_init() [*line 16*]
init module

function akismet_upgrade(\$oldversion) [*line 31*]
Function Parameters:

- **\$oldversion**

upgrade module

pnuserapi.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: pnuserapi.php 411 2007-04-30 14:58:49Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL

bool function akismet_userapi_isspam(\$args, 1, 2, 3, 4) [line 50]

Function Parameters:

- *\$args['authoremail']* **1** string author E-mail address (optional)
- *\$args['authorurl']* **2** string author URL (optional)
- *\$args['content']* **3** string comment content (required)
- *\$args['permalink']* **4** string permalink (optional)
- *\$args['author']* **\$args** string author (optional)

pass the comment to the akismet service to check if the comment is spam

- **Author** Mark West

bool function akismet_userapi_submitham(\$args, 1, 2, 3, 4) [line 127]

Function Parameters:

- *\$args['authoremail']* **1** string author E-mail address (optional)

- `$args['authorurl']` **2** string author URL (optional)
- `$args['content']` **3** string comment content (required)
- `$args['permalink']` **4** string permalink (optional)
- `$args['author']` **\$args** string author (optional)

notify akismet of a comment that isn't spam (ham!)

- **Author** Mark West

bool function akismet_userapi_submitspam(*\$args*, 1, 2, 3, 4) [*line 91*]

Function Parameters:

- `$args['authoremail']` **1** string author E-mail address (optional)
- `$args['authorurl']` **2** string author URL (optional)
- `$args['content']` **3** string comment content (required)
- `$args['permalink']` **4** string permalink (optional)
- `$args['author']` **\$args** string author (optional)

notify akismet of a comment that is spam

- **Author** Mark West

pnversion.php

Akismet integrator API for PostNuke

- **Package** PostNuke_3rdParty_Modules
- **Sub-Package** akismet
- **Author** Mark West
- **Version** \$Id: pnversion.php 411 2007-04-30 14:58:49Z markwest \$
- **Link** <http://www.markwest.me.uk>
- **License** GNU/GPL
